CARDS

Cards

VISA virtual and physical cards funded from a separate USDT TRC-20 account — $15 virtual, $70 physical, issued worldwide.

WHITEPAPER · 02

Spend stable value in the real world.

AAA Cards are USD VISA cards funded from a separate USDT TRC-20 card account — not the AAA balance. Virtual cards are $15; physical cards are $70, including delivery, issued anywhere in the world.

Capabilities

- **Virtual cards** for online and wallet payments; add to Apple Pay, Google Pay or Samsung Pay.
- **Physical cards** with chip, contactless and ATM access.
- **3-D Secure** and worldwide VISA acceptance.
- **Controls**: freeze, close, reveal, activity.
- **KYC** via Didit; the card programme and partner bank operate the card.

Fees, limits and trust.

Fees

$15 virtual issue; $70 physical issue; 1% deposit; 2% top-up; 2% withdrawal. RUB top-ups add 1.5% at the Rapira rate. No monthly fee. Limits and availability are shown in the product before confirmation.

Trust boundary

- Card funds are separate from AAA; AAA AI is the software sub-provider, not the issuer.
- Credentials and card details are revealed on demand and not stored in analytics.
- Physical issuance includes production and delivery; geographic restrictions may apply.
